Experience

The Iron Yard

June 2016 – Sept 2016

Student

An intense 12 week boot camp code school that taught how to develop a website from ideation to deployment. As well as clean coding, teamwork, responsive web design, and time management.

Lowes Food

Aug 2014 – May 2016

Deli Clerk

Provided friendly, efficient, and knowledgeable customer service. Collaborated with teammates for smoother workflow. Recorded Deli preorders over the phone and in person.

Servant Center Inc.

June 2013 – July 2013

Design and Marketing Intern

Designed the entry ticket and two promotional fliers for major annual fundraiser from multiple draft designs. Consulted with Director of Development and Marketing for design direction. Worked on site and remotely through completion of project.
